“I’d like to be a member of (Your Church Name) !”

Great! We’d love to have you as a member.

Before you make this step of commitment, let us reaffirm that you don’t have to be a member to enjoy the ministries of (*Your Church Name*). We exist for the benefit of members and non-members alike. We want to serve you, pray for you, and minister to you. Whether you join or not we’re here for you!

At (*Your Church Name*) we take membership very seriously. We are not interested in building a big role of faceless names. Membership means **commitment**.

While all followers of Christ are members of the universal Body of Christ, they should also be committed in the local community of faith.

Membership is a public declaration of commitment which involves the giving and receiving of promises. It is a covenant relationship based on shared vision, beliefs, practices and trust.

Membership should be seen as a calling of God. The question is not, “Where do I want to go to church?” But, “Where has God called me to?”

To learn more about (???) we would encourage you to read the following materials: Who Are We?, Biblical Stewardship, Care Fellowship Groups, and our Constitution & Bylaws.
